The TSM story began in 2006 after Jeff Moran returned from overseas military duty and completed a multi-year intensive entrepreneurship assistance program sponsored by the Veterans Benefits Administration. TSM has since evolved to conscientiously and creatively partner with clients on a range of specialized challenges and opportunities in construction and manufacturing management. In 2020, TSM completed VA-verification as a Service-Disabled Veteran-Owned Small Business so now also offers strategic venturing services to firms in federal markets.
